EXPERIENCE

King & Spalding LLP, Houston, Texas / New York, New York/Austin, Texas

Foreign Legal Consultant, August 21, 2017 – Present

Practice focused on international commercial and investment arbitration matters under ICC, ICSID and UNCITRAL arbitration rules, for clients in the industries of oil and gas, construction and mining, among others, involving Latin American parties.

- Drafted pleadings, communications and production requests
- Reviewed and managed a large-scale document production and exhibits and legal authorities in preparation for hearings
- Conducted interviews with fact witness and experts, drafted preparation materials and conducted preparation for hearings
- Conducted legal research and drafted pre-dispute memoranda and strategy analysis
- Provided assistance to partners in the research and draft of academic articles and the preparation of academic conferences
- Counseled for pro-bono clients including an international court, NGOs and individuals on international human rights and international public law issues
- Member of the Latino Affinity Group and Latin American Business Development Committee

Northwestern Pritzker School of Law - Center for International Human Rights, Chicago, Illinois

Member of the Bluhm Legal Clinic and Research Assistant to Prof. Bridget Arimond - August 2016 to May 2017

- Conducted research and drafted a brief to the United Nations CESCR
- Spoke before one of the Pre-Sessional Working Groups of the UN CESCR in Geneva (Switzerland)
- Drafted an amicus-curiae before the Colombian Constitutional Court in a constitutionality review of a national decree

Universidad Del Rosario, Facultad de Jurisprudencia, Bogotá, Colombia

Assistant Professor, August 2015 to July 2016

Assisted Prof. Bernardo Salazar drafting materials and teaching the International Commercial Arbitration class.

Gómez-Pinzón Zuleta Abogados S.A., Bogotá, Colombia

Junior Associate, Pro-bono Coordinator, September 2013 to August 2016

Practice focused on commercial litigation and domestic/international arbitration and technology law for clients in the construction, oil and gas, technology and automotive industries, among others.

- Counseled in all stages of arbitration proceedings, commercial litigation and proceedings of recognition and enforcement of foreign judgments. Attended and assisted hearings
- Provided advice regarding arbitration clauses and choice of law clauses and drafted strategy and pre-dispute memoranda
- Counseled clients before Colombian courts and state control entities regarding the collection, use and international transfer of personal, commercial and sensible data and cases involving the 'right to be forgotten'

Banking and Finance Practice Trainee and Pro-Bono Intern, August 2011 to September 2013

Conducted due diligence analysis. Assisted bonds issuance and purchase of shares processes. Assisted in the drafting of an offering memorandum. Conducted research and drafted memoranda on banking and finance regulatory issues. Pro-bono intern.
